

Registration Form Mother-Family

USCA Sieger Show

Please enter the name of the female for whom a mother-family shall be presented. The female has to directly originate from the line of ancestry of the mother (for details please see explanatory comments below). A mother-family that originates from a certain female may only consist of dogs (progeny) who were born to the same kennel name.

I/ we agree to waive all claims against any participant, the United Schutzhund Clubs of America, any club officer, any club member, the show grounds owner, and/or any official for any accident or loss which may occur on the show grounds before, during, or after this

Please be aware that photos of the event will be taken. The photos may be published, transmitted or broadcast on websites and may be circulated to the press and other broadcast media and Internet websites for publication, transmission or broadcast. By your entry to this event, you acknowledge that you have been informed that you may be photographed and/or recorded as part of the event. Further, by entering, you grant your irrevocable permission for your likeness, mannerisms and voice to be included in any program without compensation and/or credit, and for such programs to be exploited in any and all media worldwide in all perpetuity.

I/ we do confirm that we read and accepted the admission approval.

Mother-Family

A Mother-Family that belongs to one individual female has to exclusively consist of dogs, that show the same line of ancestry in terms of the mother-dog. Also, the dogs have to be born to the same kennel name. A minimum of 4 dogs – male or female – has to be presented. A 50 % of the dogs presented in the maternal lineage must have been earned a conformation show rating of at least “good” in the current Conformation Show or a previous Conformation Show.

Registration of a Mother-Family

The registration is submitted by the breeder. The breeder enters the name of the female into the registration form for whom a mother-family shall be presented.

Following this, the breeder fills in his/ her kennel name as well as his/ her address details.

Then, all dogs shall be listed that origin from his/ her kennel. It is mandatory that the female for whom a mother-family shall be registered is in the **dam line at 2, 6, 14, 30** of the listed dogs (**please refer to the back of a pedigree for examples**).

Example at the back of a pedigree

1 Father of the Dog			
2 Mother of the Dog			
2	6	14	30
